***** GREEN BORDER REVIEW *****
Control#18-R8-0002

The Office Communications & Public Involvement (OCPI), request revisions to the REGION VIII FUNCTIONAL STATEMENT – REGIONAL ORDER.

The purpose is to move the management function of the Region 8 library and the Freedom of Information Act program from the Office of Communications and Public Involvement to the Office of Technical and Management Service and also to change the name of the Environmental Information Service Center (EISC) to the Region 8 Information Center.

Please be advised that you have **10 BUSINESS DAYS TO COMMENT**. If I don't hear from you by September 10, 2018, I will assume you concur without comment and the attached Regional Order will be finalized.

Thanks,

Sonya L. Moore
